Writing King, 2016. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Professional Business Ethics - Skyrocket Your Career Without Sacrificing Your Integrity As a moral and upright person, you might worry about the temptations of cutting corners, smudging a few details, or going behind a few backs to make it in today s cutthroat business world. But what if you could gain tremendous business success, without sacrificing ethics, brown-nosing the boss, or sacrificing the most important things - family, friends and personal life? Yet in today s world, you must resolve ethical dilemmas in the workplace every single day. Do you report the coworker who used racially charged language just out of earshot of an African American employee? Should you refuse to work long overtime hours without additional pay - choosing between impressing your boss or being with your family? And what about useless meetings, using cell phones and texting on the job, or even viewing pornography from work computers? Your Integrity is Important Your own personal integrity is as important as your education or your skills in how well you progress through your career. You implicitly teach others how to act by example - your team will follow your lead and act as you act. By remaining professional at all times on the job, your team will get the message about to act as well. This applies regardless of your position; you can manage up as well as down the organization board. In other words, you train your boss, to a certain extent, by your own actions. For example, there is some value to occasionally putting in extra hours without compensation. but by always longer, you allow your...
