HEALING THE HURTS OF YOUR PAST: A GUIDE TO OVERCOMING THE PAIN OF SHAME (PAPERBACK)

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Readers find freedom from their shame: I was blown away at how accurate it describes the mind and the way shame affects so many areas of our lives from perfectionism to the way we raise our kids. The biggest takeaway for me was discovering how the shame I d lived with had actually influenced the way I parented my child. This has been the best purchase I have made this year. I wish I would have come across it sooner. An extremely good read and very helpful. I would recommend it and have recommended it to many of my close friends. I can t say enough about this book, I wish I could give it a ten. Well written and right to the point. Everything you need to know about healing your past and moving on. A Biblical Case for Self-Esteem. F. Remy Diederich connects the dots to your shame based behavior, helping you understand why you do what you do. Then he gives practical advice on how God...
