## LIGHT READINGS (PAPERBACK)

WALLFLOWER PRESS, United Kingdom, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. Did the 1990s see cinema, as a medium and collective experience, become subsumed into a converging universe of multiple-media? Does our understanding of cinema need to be reconsidered to accommodate emerging digital possibilities for the moving image? In *Light Readings*, leading critic Chris Darke revisits his writing addressing these important questions. The book is divided into three sections which reflect Darke's ongoing interests--contemporary art cinema, French cinema, and the overlapping territories of film, video, and the art gallery.
