Filesize: 3.87 MB

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

ART OF THE ANDES (PAPERBACK)

DOWNLOAD

Thames Hudson Ltd, United Kingdom, 2012. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book. This wide-ranging survey, now established as the best single-volume introduction to Andean art and architecture on the market today, describes the strikingly varied artistic achievements of the Chavin, Paracas, Moche, Nasca, Chimu and Inca cultures, among others. For this fully revised third edition, Rebecca Stone has rewritten and expanded the text throughout, touching on many of the recent discoveries and advances in the field. These include new work on the huge stone pyramids and other structures at Caral; continued excavations of Inca child sacrifices perched on mountaintops throughout the empire, with their perfectly preserved clothing and miniature offerings of metal, ceramics and shell; spectacular murals and the remarkable burial of a tattooed female warrior-leader at the Moche site of Huaca Cao Viejo; and many new finds of high-status textiles, along with fresh analyses of weaving technology and new interpretations of designs and motifs.
