

Roots of the Revival: American and British Folk Music in the 1950s (Paperback)

Filesize: 4.8 MB

Reviews

An exceptional pdf as well as the typeface utilized was interesting to see. I am quite late in start reading this one, but better then never. I am very happy to explain how this is actually the best pdf i actually have go through within my individual daily life and might be he greatest publication for possibly.

ROOTS OF THE REVIVAL: AMERICAN AND BRITISH FOLK MUSIC IN THE 1950S (PAPERBACK)

University of Illinois Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In *Roots of the Revival: American and British Folk Music in the 1950s*, Ronald D. Cohen and Rachel Clare Donaldson present a transatlantic history of folk's midcentury resurgence that juxtaposes the related but distinct revivals that took place in the United States and Great Britain. After setting the stage with the work of music collectors in the nineteenth century, the authors explore the so-called recovery of folk music practices and performers by Alan Lomax and others, including journeys to and within the British Isles that allowed artists and folk music advocates to absorb native forms and facilitate the music's transatlantic exchange. Cohen and Donaldson place the musical and cultural connections of the twin revivals within the decade's social and musical milieu and grapple with the performers' leftist political agendas and artistic challenges, including the fierce debates over authenticity in practice and repertoire that erupted when artists like Harry Belafonte and the Kingston Trio carried folk into the popular music mainstream. From work songs to skiffle, from the Weavers in Greenwich Village to Burl Ives on the BBC, *Roots of the Revival* offers a frank and wide-ranging consideration of a time, a movement, and a transformative period in American and British pop culture.
