On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Airfryers: The Ultimate Solutions to Losing Weight While Enjoying Food Book 2 in the 6 part series If fried food is stopping you from getting your dream body, then this Book is perfect for you. These revolutionary airfryers hardly require any oil, so you can use them to create delicious meals that are healthy and less fattening than regular fried meals. Wanting to wear bikinis and skimpy clothes are just some of the incentives to eat healthier nowadays. Unfortunately, not a lot of women last very long when they try to follow diets because fried food always beckons them back into place. Aside from that, getting bored of eating the same food, a lack of discipline, and the amount of time needed to prepare healthy meals all play a part in this, as well. Airfryers are the ultimate solutions for people who need to diet because they can create healthy meals in no time at all. So, even if you cannot get your office lunch ready the night before, you will still be able to cook something with minimal effort before going to work. Airfryers use patented Rapid Air technology, which quickly circulates hot air instead of hot oil to the food that you cook. This creates healthy and delicious meals that won t give you any unwanted calories. Airfryers can create versions of your favorite fried food without the hassle, fat or guilt. This means you can enjoy food like fish and chips, homemade chips and fried chicken without worrying about gaining a lot of weight. The best part is that airfryers can cook all of these things in less than 12 minutes, so you can enjoy cooking healthy meals...
