Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Scottish Gifts - Tartan Softback Password Journal [\$5.50 / 3.59] A discrete password journal with a high resolution printed image of tartan cloth on the cover; it's got sensible sized print, spacious log boxes, and a few added extras, including password setting advice, at the back. We've put a lot of thought in to this book, it's perfect for a small, simple gift: Dimensions: 20.3 x 12.7 cm / 5 x 8 inches. (A touch smaller than A5 but much bigger than A6. It's small enough to tuck away easily in a bag, drawer or shelf, but it's not tiny, it's much bigger than most pockets.) Interior: -95 pages of good quality white paper to minimize ink bleed-through. -Just under 400 log boxes, including a few extra at the back for the storage of online purchase reference numbers. -An advice section on how to set strong, safe passwords is easily accessible at the back. -Plenty of space. We've allowed the whole page width for writing internet addresses usernames, and extra space to write your own notes with each record; particularly useful for extra security details such as memorable words. There's also a general notes space at the back for recording modem details or wifi codes for example. So no more cramming! -A date record box. To prevent confusion if you change a password you can easily keep track of which one is the latest by using the entry date prompt in each log. -Easy to read with font size 12 or larger throughout. Cover: Tough matte paperback. Properly bound, so pages won't fall out with use. Matching Products: Our...
