Vintage Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. The English see more ghosts than any other nation. From medieval times to the present day, stories have been told about ghosts who avenge injustice, souls who long for peace and spooks who just want to have fun. The English Ghost is a treasure trove of such sightings; comical and scary, like all the best ghost stories, these accounts, packed with eerie detail, range from the moaning child that terrified Wordsworth's nephew at Cambridge to modern day hitchhikers on Blue Bell Hill.
