MALSINET, 2007. soft. Book Condition: New. El libro de la convivencia recoge de manera integral las normas básicas de comportamiento en que se traduce la aplicación de los valores humanos universales en los diferentes escenarios de la vida cotidiana contemporánea. Se trata de una obra fresca, descomplicada y moderna que retoma con seriedad los principios que inspiraron el legendario Manual de urbanidad y buenas maneras de Manuel Antonio Carreño, actualizándolos y enriqueciéndolos por medio de interesantes lecturas y máximas provenientes de fuentes literarias, filosóficas y periodísticas especialmente seleccionadas para el disfrute y la reflexión por parte de lectores infantiles y adultos. Además de las recomendaciones, consejos y lineamientos destinados a fomentar la cortesía, el respeto, la tolerancia y la flexibilidad en el trato entre los seres humanos, y de señalar de manera puntual los hábitos y comportamientos que atentan contra la vida en comunidad, El libro de la convivencia expone de manera cálida y sencilla los conceptos fundamentales de educación cívica, democrática y de manejo y superación de conflictos sin los cuales la convivencia en todos los campos (incluido el ecológico) perdería su sentido profundo y se vería reducida a simples reglas de etiqueta.
