An international survey of the very best artists working today in dubstep graphics, the vanguard visual component to the international electronic music phenomenonOriginally an electronic dance music form from the garage, drum and bass, and dub reggae clubs of South London, dubstep has merged with street art, pop art, and design to become a global design and music phenomenon, now entering the mainstream and influencing the likes of Snoop Dogg and Rihanna. The artists that supplied the scene with its imagery for t-shirts, posters, logos, and merchandising have grown a fantastic and distinct brand of provocative graphic design, pop artworks, and street art.
