Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Complete Writings of Charles Dudley Warner: As We Were Saying; As We Go; Fashions in Literature Are we exaggerating this astonishing rise, development, and spread of the Chrysanthemum? As a fashion it is not so extraordinary as the hoop-skirt, or as the neck ruff, which is again rising as a background to the lovely head. But the remarkable thing about it is that heretofore in all nations and times, and in all changes of fashion in dress, the rose has held its own as the queen of flowers and as the finest expression of sentiment. But here comes a haunting thing with no desirable perfume, looking as if it were cut with scissors out of tissue-paper, but capable of taking infinite varieties of color, and growing as big as a curtain tassel, that literally captures the world, and spreads all over the globe, like the Canada thistle. The florists have no eye for anything else, and the biggest floral prizes are awarded for the production of its eccentricities. Is the rage for this flower typical of this fast and changing age? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
