Xulon Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Positive communication is the most powerful tool a couple can use for healing and restoration in their relationship. Arthur and Kim Nowlin The health of marriages has been under attack ever since the beginning when Adam and Eve's act of disobedience led to a series of arguments and passing of the blame that was only reconciled once the couple took personal accountability for their choices and surrendered everything to God-the architect of marriage. A threat to the health of one's marriage does not have to yield a terminal prognosis. It won't be easy, but it is possible to survive. This book will provide high quality care for couples who are currently on life support. - Kenneth Anderson, M.S. Arthur and Kim Nowlin have more than 60 years of combined experience in the areas of family, substance abuse, and individual counseling. They have dedicated their lives to working from a Christian perspective through Building Bridges and Breaking Barriers Seminars. Together they are frequently called upon for keynote speaking engagements, conferences, workshops, and seminars. Also, they are available for marriage, family, and youth retreats. The Nowlins are the co-hosts of Making It Work on the 3ABN Dare to Dream Christian television network, and are co-authors of The Drama Files, a column in Message magazine.
