Outskirts Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Conversations: Stories and Poems That Speak to Our Soul William R. Stephenson, PhD, has written Conversations: Stories and Poems That Speak to Our Soul for anyone who is recovering from the loss of someone they cared about and wondering how God could let it happen. It is also for anyone who struggles with recovery and is challenged to comprehend the role of the Twelve Steps and how the understanding of a Higher Power can work for them. Conversations is a book that will encourage the hopeless, the cynic, and the pessimist, all of whom may question the validity of the soul, or the True Self. Each of Dr. Stephenson's stories includes a teachable moment to gently guide readers on a journey to learn from their past, to live in the moment, and to have confidence in the future. His many years as a counselor, along with his own battle with an incurable disease, informs this unique book. There is life after a death, and this book gives evidence of that life.
