Who s Watching Over Me? by Kathyleen Franklin is a touching story about a little boy who misses his dad while he s away serving in the military. He wonders who s watching over him when he wakes up in the morning, as he walks to school and when he goes to bed at night. He remembers his mom saying that God is always watching over him. So, he prays that God would watch over his dad while he s away too. Kathyleen Elizabeth Franklin worked as teacher and librarian in the Miami-Dade public school system for over 40 years. Children and children s literature have always been a passion of hers. It is Kathyleen s desire to bring comfort to children grieving the loss or absence of a parent, especially those whose parents have served, or are serving in the military. Through her work with children, Kathyleen has seen first hand the positive influence books can have on a child experiencing difficult circumstances. Who s Watching Over Me is her first book.
