Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from La Vie Conjugale au Xve Siecle Les sciences morales et leur histoire captivent notre esprit peut-etre surtout parce qu elles revelent le mieux ce qu il y a de plus attachant pour nous dans nos eternelles recherches l etat intime de l ame humaine, c est - a-dire l homme lui-meme, tel qu il se comporte, a travers les ages, avec sa destinee. En scrutant la psychologie des ancetres, c est notre propre his toire dont nous surprenons la trame cachee. L histoire du droit, et specialement du droit matrimonial qui etudie le point de moeurs si delicat qu est le mariage, nous permet de suivre, malgre les obscurites du passe, l evolution incessante de l esprit humain, de ses conceptions, de ses aspirations. Mais, si l histoire des institutions nous renseigne sur les manifestations publiques de cet esprit, sur l organisation civile de la vie familiale, elle ne nous fait cependant point penetrer dans le secret de l existence quotidienne, elle ne nous montre point comment, dans l intimite du foyer et du coeur, l on comprenait et l on pratiquait le mariage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
