Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Christine Mitchell (illustrator). Language: English . Brand New Book ***** Print on Demand *****. A Foster-Adoption Story tells the story of a brother and sister experiencing abuse, neglect, multiple foster care moves, sibling separation, and eventually adoption. The goal of this workbook is to open the door to discuss difficult topics; issues like abuse, neglect, birth parents, and loyalty conflicts. It can be used as an aid in helping children heal; one that allows them to read about kids like me. Youngsters can color the pictures as they wish and share their feelings as they go along. This workbook will be a useful therapeutic tool to help children process their experiences and grief along the path to healing.
