

## Seven Weeks to Health and Healing (Paperback)

By Barbara A Williams

Lighthouse Publishing, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I wrote this book as a daily devotional to help believers focus on the Lord Jesus Christ. The daily readings are thought provoking while being brief and to the point. This format is one that fits easily into our modern lifestyles. As believers we are admonished by God to meditate on the word day and night. God promises that if we will do this we will have prosperous ways and good success. I encourage the people of God in success. There is nothing I enjoy more than to see the people of God enjoying all the success that God has planned for them. These teachings were compiled to help you to meditate on the Word of God to receive your Healing. I hope you enjoy meditating with God through the teaching in this book. Barbara A. Williams.
