Scott Gordon, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Don t become roadkill on the road to energy independence. In this hard-hitting expose , solar industry veteran, Scott Gordon, reveals how to navigate the treacherous waters of today s residential solar energy marketplace. Should you buy or lease? How do you pick the right contractor and the best equipment? In a world of fast talking solar salesmen, how can you avoid common scams and rip offs? Who can you trust? With the onslaught of solar radio and TV ads, door-to-door canvassers, and telemarketers, solar messages abound. Ironically, this plethora of information and misinformation has left most homeowners confused and unsure whether solar will work for them. Revealing information previously available only to industry insiders this book cuts through the noise and gives you the information you need to get the very best deal on solar. You will learn insider tricks of the trade , save thousands of dollars or more on solar, and have solar salesmen shaking in their boots! Welcome to the Revolution.
