SUICIDE TERRORISM - A SOLUTION (PAPERBACK)

Partridge Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We often open the newspapers to read shocking news about terrorist attacks around the world. In the last decade or so, the fear which has been associated to suicide terrorists has only increased manifold at an alarming rate. And, if we ask ourselves deep down in our hearts we would have to admit that we have been almost entirely biased in our thoughts and views about the actions of suicide bombers. In *Suicide Terrorism - A Solution*, debut Indian author, K.C. Eldho, has drawn upon his vast experience as a lawyer and his groundbreaking and tireless research in understanding the real actions of a suicide terrorist. Combining lucid accounts of new studies with insights into philosophy and psychology, Eldho gives us a narrative that is as entertaining as it is thought-provoking. This work is essentially about the philosophical and psychological aspect behind the act of suicide terrorism and attempts to impartially view the act of suicide terrorists who, contrary to popular belief, do not have any previous history of a criminal act and are a highly educated and financially sound class of people. The theoretical finding of the author's analysis forms a major part of the book which proves that suicide bombers are either brain washed or under indoctrination. Upon reading this book, you'll learn why Suicide terrorists choose the path we all know to be forbidden and gain revealing insights of a subject which has been rarely delved into.
