THE IMPACT OF WORDS: AMAZING WORDS

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Words are very powerful; it can mould a character and even build a nation. What we say or write could bring an impact on one's life and it has a profound effect on the very soul of a person. Like a blossoming spring flower, it brings a pleasant effect in our thoughts and mind. The love and encouragement said of us could conquer any weaknesses, doubt, and fear. And especially those gentle and tender words could calm any ferocious and surging storm within us, that is bound to destroy and ruin us. While harmful and demeaning words could devastate dreams and aspirations, like an explosive it triggers a hazardous result in our psyche. The lying tongue that is full of deceitful and pretentious words cuts like a sword that pierces an innocent heart and it caused a tremendous pain, thus it may lead to depression or worse even death. WORDS could impact our lives, those persuasive and encouraging remarks could bring the BEST on us, and, on the other hand, those harsh and distressing ones bring out the BEAST in us. And words could make us a progressive and functional individual or break us into pieces of shattered being. WORDS COULD MAKE OR BREAK US. The words here may not arouse your SENSUALITY, but it may evoke your SPIRITUALITY, and even strengthen your ties to your FAMILY.
