Early on in this coming of age story, Tod hops on to Mole s short and fast track, a route that takes the reader into the local high school s gator pit and on to a ride fueled by the duo s bullying, dishonesty, and sport of harassment. Tod follows Mole s lead until it takes one of their victims, the least likely of friends, to open Tod s heart and mind. With Mole s determination to be the driving force, however, Tod discovers he is long past the chance for an easy exit from their reckless ride.
