Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Slavery Illustrated in Its Effects Upon Woman and Domestic Society Deeply has the conviction been rooted, during the last twenty-five years, that the condition of American colored women, and the collateral topics included in the seventh commandment, are the most important theme in the Whole controversy upon slavery because it combines the ecclesiastical questions with all the grand moral points. Yet this volume probably would not at present have been promulgated, had not the moral and religious warfare assumed a hideous character, not less fearful than it is astounding.
