Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I Made It This Far is about a woman who went through so much disrespect, abuse, and hard times in her life. Angelique E. Constance wanted to share her own horrors and the triumphs, as there are a lot of other women who are going through it or have encountered the same childhood experience as she has. I wanted to share that even though it took me a while to empower myself to the point that I could finally take control of my life, once I did, it was the best feeling ever. My story will show people how they can get out of that vicious cycle and make themselves feel valued, not only by themselves but by the people that we value. We may feel that there are no way out of those life experiences. If I can grow spiritually and heal within, you too can do the same. You will find the person who you want to be. You can have the life you have always wanted for yourself. There is a light at the end of the tunnel. We just need to take that first step and be accountable to ourselves. It can be disheartening at times, but with faith, hard work, self-reflection, and the belief that you can heal within, everything is possible. You need to decide to let go and let God take care of you, while you take the necessary steps for the betterment of the life you so richly deserve. Believe within always.
