AN INTRODUCTION TO QUANTITATIVE FINANCE (PAPERBACK)

Oxford University Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. The worlds of Wall Street and The City have always held a certain allure, but in recent years have left an indelible mark on the wider public consciousness and there has been a need to become more financially literate. The quantitative nature of complex financial transactions makes them a fascinating subject area for mathematicians of all types, whether for general interest or because of the...
