Brand New Book ***** Print on Demand *****.When the royal family is brutally murdered, Princess Kazia alone is left to rule the kingdom. But how can she rule when her home has burned to the ground and at any moment the assassin may return to finish the job? Under the protection of the Captain of the Royal Guard - her late brother's childhood best friend - the princess must flee to protect herself and what is left of the royal line until the assassin can be found and brought to justice. First to her uncle's estate and then to her betrothed's kingdom, but the assassin seems to be one step ahead of them all along the way. And then there is the captain. With every mile they travel together, Princess Kazia must fight the feelings for him that she thought she had left behind long ago. Surviving until her coronation seems like an impossible task. But survive she must. With both her life and her heart at stake, the weak and seemingly helpless Princess Kazia still bears a secret. One that can either save her and her kingdom or take everything she has left.
