

The Trillion Dollar Business Strategy: To Make America Great Again (Paperback)

By Eric Steele

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What a wonderful world we could have because the human potential seeks greatness, as our wonderful minds and bodies possess the innate ability to progress. As a species of intelligent beings, we know what we must do to insure our survival on this small planet. We possess the technology to improve the living conditions of every person on earth, while cleaning up and protecting our natural environment. We possess the natural resources, if appropriately distributed to insure every human being will have adequate food, shelter and medical care throughout their lifetimes. We possess the ability to create meaningful employment that permits individuals to develop self-respect and sustainable lives. A new economic paradigm that recognizes abundance must envelop the world order to eliminate the seemingly perpetual zero-sum game system. We need not look too far to discover that life, our earth, and our universe are filled with limitless abundance! Certainly, there exist sufficient natural resources to support a reasonable human population of less than ten billion people, if resources are properly exploited and distributed. Management and distribution of world resources should eliminate waste,...
