Reviews

*The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My mother taught me not to ask questions I did not want the answers to, and sometimes I still wonder how different things would be had I not learned what I did that rainy night in Port Royal. With my father consumed by his work and my mother lost in the fog of insanity, I ended up venturing the dangerous town alone. Mingling with buccaneers, barmaids, and citizens brave enough to face the bawdy streets and alleyways, I learned more about life, lust, and betrayal than I had in all my days before-but it was the unveiling of a shocking truth that turned my world upside down. Knowing my future course had been inevitably altered, I turned my back on the life I had always dreamed of and set out on a path of my own. But the memory of that fateful moment will forever haunt my soul every time it rains. -Remington Rain-
