Reviews

This publication may be really worth a go through, and a lot better than other. It really is full of knowledge and wisdom Its been printed in an exceptionally easy way in fact it is simply after i finished reading this publication by which basically modified me, affect the way i really believe.

(Troy Dietrich DDS)

THE HARLEY DAVIDSON WLA MANUAL 1944

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, The Harley Davidson WLA Manual 1944, U.S. War Department, The Harley-Davidson WLA was produced to US Army specifications during and around the Second World War. It was an adaptation of an existing civilian model, the WL, the 45 solo type, having a 45-cubic-inch (740 cm³) engine displacement and single-rider design. In 1944, the US War Department published this manual for troops ahead of entering the Second World War. In addition to a basic description of the motorcycle, and how to ride it, this manual contained all the technical information required for identification, use and care of the materiel. It is the essential guide for any owner, giving vehicle maintenance instructions for many technical issues, and no doubt saved many soldiers' lives out in the field.
