

Audacity: Find Your Crazy. Change the World. (Paperback)

Filesize: 2.19 MB

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.
(Prof. London Gerlach)

AUDACITY: FIND YOUR CRAZY. CHANGE THE WORLD. (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life is no place for the timid. We all want more courage. more boldness. more audacity. But audacity comes with a cost. Are you prepared to pay the price? There is a risk you cannot afford not to take. Throughout history, the people who have changed the world discovered God's love language-faith-and boldly danced with it. They were common, ordinary people, very flawed, who made a decision to be defined by courage rather than fear and complacency. They didn't die with the music still inside of them. They risked their personal comfort and security, even their own reputations, to be part of a much bigger story. You can be part of that story as well. You can find your AUDACITY. But first, you'll need to find your crazy! Audacity is a journey to become fully alive. It's a dance with adventure, meaning, and purpose-yet never without uncertainty and ambiguity. It's a dance into the glorious unknown, with Jesus, the graceful and often mysterious Choreographer. This dance is the only kind that will leave us at the end of our days harboring no regrets, only the joy of a life completely yielded to God's purpose. It's a dance that will at times look silly. It's both messy and beautiful at the same time. It's marred with failures. You still get punch-drunk at times from setback after setback, yet this dance limps faithfully to its end, knowing it has left it all on the floor. Dare to forsake the ONE thing that could keep you from missing this dance.
