By Megan Musca

Not2young, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Megan is a mother of two young children who was blindsided by the diagnosis of triple negative breast cancer at age 31. Her youngest child was just seven months old at the time that a lump in her right breast was found during a routine exam. Her story is unique because she was advised against having a biopsy immediately, and to just wait and see. Megan was guided by the Lord s gift of discernment to push for a biopsy that would save her life. She started a journal to remember every blessing that God had poured out on her and her family. Here is Megan s story, from discernment to victory.
