Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How did the tortoise know he was going to win the race? Now, the story is finally to be told. Discover the path the tortoise took to reach your goals too! Everyone knows that the tortoise beat the hare in the race. Very few people know how the tortoise prepared for that moment. Join Tommy the Tortoise on his journey through the six goal setting steps that transformed him into the fastest creature in the forest. The same six step process that works for tortoises has been proven effective for humans as well. Like any journey, however, you cannot get to where you want to go until you are willing to start. All of the tools you need to reach your goals are in this one book. The story of the tortoise and the hare is used to guide the reader through the steps with sections afterwards that include insights, activities, and goal setting worksheets. Whether it is for business or self-help, everyone can follow these steps to lead to success. Why should you buy this book? - It is a quick and easy read - not a 400 page technical snoozer! - You can get back to the business of achieving your goals faster! - It doesn't tell you what your goals should be, that is up to you - but it does give you a path to follow. - There are real life examples given for each step that anyone can relate to. - Anyone from teenagers to CEOs can find value in the book's message. - Aren't you curious why the tortoise thought he could win the race in the first place! Look at what one...
