## LIFE BEYOND THE CROSS: A CLOSER VIEW INTO AN ETERNAL INVESTMENT (PAPERBACK)

AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Present book portrays God as the Director of a company called Creation Investment Corporation and describes Him as the most successful business person that ever stepped on the planet Earth. It all started by a decision to establish another branch of his company in another location which happened to be the planet earth which at that time was inhabited by a competitor who used to work for Him but things turned sour between them when he plotted to take over the business. To start his new branch off, he started by giving commands to the darkness, waters and winds. These all obeyed him. He appointed managers and empowered them to manage the business while he continued to manage the headquarters. The well being of those managers later became his heartbeat after they were deceived to step out of His laid down policies which eventually caused an economic breakdown and eventually a buy-out for the new branch. This was a distraction for this entrepreneur because he had excellent plans for the branch. This book is all about what He did to take his company back from the hands of the competitors and restore the dignity of those managers, detaching his company from all unproductive influences by building an impenetrable business system. I pray that as you read this book your eyes of understanding are opened and you are able to comprehend all the precious truth that God has uncovered through this book. Akin Isaacs Lufadeju The agenda of God for humanity continues despite all human shortcomings. This book is a classic with an in-depth content on divinity investing in humanity so that humanity can accomplish its prophetic destiny - Dr Chris Anigbo.
