Jabez Publishing House, 2015. Paperback. Condition: New. Faith ed.. Language: English . Brand New Book ***** Print on Demand *****. Prayer is the presentation of evidence that we agree with God. The evidence of our faith is in the confidence we have in our Heavenly Father. It is not enough to know the Word, we must agree with it. Anything can happen - when we agree with God. Believe means to agree. When Thomas disagreed with the disciples declaration of the Word that Jesus had been raised from the grave, Jesus rebuked him because, for Thomas, seeing was believing. With full faith and confidence in God s Word, we don t see with our eyes, we see through our eyes. Prayer opens the portals of heaven and allows us to see beyond this natural world and into the supernatural intelligence of God s provision and resources buried in His Word - not hidden from us, but hidden for us. It is my prayer that with each page in this book your faith will be increased all the more. My hope for you is that you will read through your eyes and not with your eyes, and that the heavens will open up and His Word will fall into your heart like drops of rain. May your spirit be refreshed and your mind renewed as the Word of God comes alive inside of you and supernaturally transforms your heart, mind, body, and soul. Accelerate in prayer and experience the excited entry the sound of abundance brings into the human heart.
