The Queen is not very friendly to say the least and tries her best to see the girl dead. Vasilisa does not scare easily, read for yourself: . . Did you enjoy your last meal, cutie? said a low, cackling voice from the dark of the cave. The witch snapped her fingers and several torches along the wall shot out fire. Standing now in front of Vasilisa, the witch could as well have been a thousand years old. Her long twisted chin rested in the middle of her chest, her nose reached far away from her wrinkled face, blazing red eyes were half hidden under the bushy eyebrows and her skin was almost black from dirt and old age. Stinky gray hair stood straight up on her head, as if terrified of the owner. Did you come to take a peek at the looking glass inside my cauldron? You may not like what you see.
