Reviews

It is one of the most popular publications. We have read through and that I am sure that I will likely study again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best pdf for actually.

THE STORY OF THE PEARL (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Story of the Pearl No one knows who discovered and first used pearls as ornaments. Before history began to be written, men loved and admired these precious gems as they do to-day. The American Indians had hordes of them when white men first set foot on this continent, and they are found in the mounds where they were buried with the bodies of the honored members of their tribes. But it is with the things of to-day that we are most interested. Where do pearls come from and how are they formed? The pearl oyster, *Meleagrina*, furnishes most of the finer pearls which come from the sea. These shells are found in the warm seas of many parts of the world; the Persian Gulf, Ceylon, Borneo, The Phillipine Islands, The Malay Islands, Panama, and the West Indies. The fresh water mussel, *Unio*, from which many of our most valuable pearls are taken, inhabits the rivers and lakes of the temperate parts of the world. China, Russia, Germany, England, Scotland and the rivers and great lakes of Africa. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
