Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Half a century of music making in Nigeria has indeed witnessed giant strides, development, transformation, assimilation, and acculturation. This book succinctly presents a holistic discourse of musicality in Nigeria from the 1960s through the technological age of the 21st century transmitted through European and American cultures. It examines cogent topics such as traditional and popular music, art music, church music, choral activities, composers and their works, performance practices, maintenance of musical instruments, the impact of radio and television stations, feminine quantum leaps, music publishing, music technology, archival centers, copyright society, Nollywood music, and music entrepreneurship.
