BUSH S WAR: MEDIA BIAS AND JUSTIFICATIONS FOR WAR IN A TERRORIST AGE (PAPERBACK)

ROWMAN LITTLEFIELD, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. While many books have offered a take on the attacks of 9/11, one area has been comparatively ignored: presidential justifications for war in the age of terrorism. Specifically, what did President Bush say to justify American military actions in the post-9/11 world? And how did the public hear what he said, especially as it was filtered through the news media? The eloquent and thoughtful *Bush s War* shows how public perception of what the president says is shaped by media bias. Jim A. Kuypers compares Bush s statements with press coverage, arguing that the nature of American public knowledge concerning our role in the world has been changed-not by 9/11, but by the subsequent argumentative back-and-forth between Bush and the press.
