

Methuselah Syndrome (Paperback)

By Austin Baxter

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Most people don t believe me when I tell them that I am familiar with what the world has known as space aliens. While I wouldn t class them as friends, I do know them and have spent quite some time with them. It is hard to realize that I am being interviewed on the day of my birthday. At this point, I seemed to be the oldest living person on the face of the planet at 200 years of age. There are going to be more people following me that the world currently doesn t know about them. I will be one of those, who will be coming along after me. People scoffed and ridiculed me a long time ago when I told them that I had been the surprise visitor of what were then known as other world aliens. I had been lying in bed one night, and using a technology that we haven t been able to master, I was removed from my bed and transported to another place. My clothes all remained on, but there was...
