Packt Publishing Limited, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Follow along as we work together to build a variety of sites all using WordPress. While this book is not designed for beginners, those with even an intermediate knowledge of WordPress will be able to get these sites up and running in no time. Also, since each chapter is devoted to the design of a different site, there is no need to read the book in any particular order. Instead, you can pick and choose the blueprints that are of most interest to you and dive right in. If you are a self-learner or a WordPress consultant who, instead of being content with using WordPress out-of-the-box, is interested in exploring all that this open source software has to offer, then this book is for you. The clear instructions provided in each chapter will guide you through the process of creating a varied collection of WordPress sites for either yourself or a client. While some experience with WordPress is required to get the most from this book, if you can install themes and plugins, you should be able to follow these easy-to-understand WordPress blueprints. Some knowledge of CSS and HTML will be beneficial, but experience with PHP is not required.
