The lowest rung of the races, except for humans, the native species of the planet. Some say we re powerless but it really just takes us a while to find our power. Okay, a long while. Besides, as my mother always told me, Petaloid means resembling the petals of a flower. We re slow to blossom, but when we do, we re the most radiant plant in the forest. Tell that to my boss. You know, Jacquard Buttkiss? The cranky Xygloid who s about to fire me for accidentally damaging robot parts in the Buttkiss Android Factory? Or maybe he has something entirely different in mind.If only I could find my power, I might see a way out of this mess. But right now, it doesn t look like it.
