Would it be possible maybe for one of our clerks to get a copy of your opening remarks there, and we will make copies for members here in time for the questions. Could someone maybe do that for me TESTIMONY OF C. BRUCE TARTER ARTER Mr. T. Thank you, Mr. Chairman. Let me begin with a brief statement which is, I think, part of the opening page in my testimony. But, as I think all of you know, we are a national secu-rity laboratory. Nearly all of the work of the laboratory is focused on national security. And my particular highest responsibility each year is to certify certainly to the President of the United States that the United States stockpile of nuclear weapons is safe and re-liable. That is the focus...
