

Technology Tips for Grandpas: 10 Simple Technology Tips Every Grandparent Can Understand (Paperback)

Filesize: 2.36 MB

Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.
(Ollie Powlowski)

TECHNOLOGY TIPS FOR GRANDPAS: 10 SIMPLE TECHNOLOGY TIPS EVERY GRANDPARENT CAN UNDERSTAND (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The other day my mother was able to video chat with my beautiful grandmother all the way in India. Mum had a smile on her face the whole day from being able to connect and experience the warmth of her family so far away from home. Her smile encouraged me to write this book and hopefully many others that will get our senior folk to work their way around technology. This book is a short introduction to many other titles to come that will hope to get all parents and grandparents up to speed with old and new technology. It s broken down in a very simplified form and is tailored to suit people with a very novice approach to technology. By the end of this, I hope to solve many small mysteries of our tech world and get many of you to feel more comfortable using technology. Also, there are so many different computers, laptops, mobile phones, iPads, etc out there that it s hard to find tips that apply to every reader. This book is just a small snippet in other, more specific titles to come so make sure you re signed up here so I can let you know when our book launch specials are out! Enjoy!.
