This devotional came about to help women draw closer to Jesus Christ and become stronger in their faith. It is important to devote quiet time unto God so that we can not only talk to Him but so He may talk to us. That special time strengthens your spirit and prepares you for that day. It is so easy to get caught up in the hustle and bustle of our everyday lives. And it can put a damper on our personal relationship with Christ if we always allow the different distractions to steal that time from us. In this devotional, I share some personal lessons and messages that God has given me to help me develop in my relationship with Him. It is my prayer that it will empower you, enlighten you, encourage you and inspire you. So that you too will ARISE!.
