Graduate work is offered by competent members of the University Departments of instruction and research. Administrative functions and supervision of advanced students are delegated to the Dean of the Graduate School and the Executive Council. The Graduate work of students in Education is designed to supplement their undergraduate studies in such manner as to prepare them most effectively for the professions of elementary- and secondary-school teaching, and of public-school administration and supervision. Graduate Students are defined as those who meet the requirements for admission to the Graduate School (see Rules and Regulations under Admission), and are registered for more than half their program for graduate credit. Admission: Admission to the Graduate School may be granted to graduates of all colleges and universities of approved standing, provided their undergraduate records are satisfactory. Before entering upon graduate work the applicant must...
