To the general public, he s just a simple real estate agent in the tri-state area selling multi-million dollar real estate to the average man on the street as long as the average man has millions of dollars to drop on a small studio apartment. To Lucy, he s a lover and a whore in the bedroom and a chef in the kitchen. To his boss Bill, he s the son he never had. To me he s just Eric, y know. He s still just Eric from the block.
