## LETTERS TO THE RIVER: A GUIDE TO A DREAM WORTH LIVING

Createspace, United States, 2013. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Letters to the River places the struggles and crises we currently face -- personal, political, moral, ecological and spiritual -- within the context of a mythic and heroic journey. In doing so, it forms a bridge between the left side and the right -- the practical, daily life we can neither ignore or avoid, and the magical, shimmering world reported by sages and shamans throughout the millennia. Letters to the River points the way to a path that s deep and soulful. It speaks eloquently to our reason (the right side) about the territory we need to explore and the issues we must face to find that dream worth living. But it does not stop there. In the Letters themselves we hear the beckoning of the left side, the call of the soul within that magical, shimmering dream. And in so doing, we sense who we might become if our soul not only found its voice, but began to sing, loudly, one breathtaking song. Sparrow Hart is a gifted storyteller. Dancing between the visible and invisible worlds, this book expands our perceptions, tells the truth of who we are, and shows us the beauty of our inner and outer landscapes. Inspiring us to live in harmony with nature and all of life, reading Letters to the River is like being on a vision quest. This book is a gem! - Sandra Ingerman author of Soul Retrieval In Letters to the River, Sparrow Hart addresses the challenges facing humanity in these perilous times. He describes the strategies and transformations needed to cope with whole-system change, using a provocative manner that employs word-play, poetry, and insights from shamanic wisdom, Jungian...
