Higgins Bay Publishing, 2014. Hardback. Condition: New. Language: English . Brand New Book. As others around him succumbed to the gas chambers, beatings, starvation and disease, Henry Oster somehow found the strength to stay alive. He and 130 other boys were assigned to work in the Auschwitz stables, breeding horses for the Russian invasion of the German war effort. He was put in charge of Barbarossa, a magnificent stallion, and was forced to help in the violent process of breeding Barbarossa with the...
