I KNOW YOU THINK YOU KNOW IT ALL: ADVICE TO HELP YOU STOP LOOKING LIKE A JERK IN PUBLIC AND ONLINE (PAPERBACK)

powerHouse Books,U.S., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. The Know-It-All can be spotted from a block away in most any city today, devoted to the latest microtrends, sure that he is an influencer, never realizing he is mostly just being influenced. Often seen with others who share a similar look and viewpoint, he does not have a clue how to march to the beat of his own drummer. He spends his time in what he thinks is his refined circle, whether in real life or online, and always knows the best, be it clothing, coffee, or culture. He is rarely without an opinion and doubts his own even less. He is largely without humor when the mirror is turned upon him. We ve all seen and heard this type of guy in public and on social media: the classic jerk who thinks he always knows best. Chris Black is here to help you not become, or stop being him. Life for Chris Black over the past twenty years has put him in close contact with many of these guys, as they regularly congregate in the creative industries: film, music, advertising, media, and fashion. He has worked in all of these businesses and his astute and witty observations could only come from one who needs to know what is current in pop culture to make a living, yet is routinely able to step back and rise above the noise to keenly survey the scene. We ve all had cringe-worthy moments in our past, and many are experiencing them still every day, only to realize it down the road. The chances for such occurrences are greatly reduced with the advice in I Know You Think You Know it All. It s not too late.
