By Boris Romanov

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Anna-Anastaia: the old and new versions and discussion. It is known the dozens of books and hundreds of articles about Anna Anderson, best known for the role of pretender rescued daughter of Nicholas II, Anastasia. It would seem that after the comparative DNA tests (which are allegedly not confirmed kinship Anderson and the royal family), the matter is closed. However, with the exception of those DNA tests, a huge set of evidence and the facts speak in favor of self-identification Anderson as Anastasia. In this brochure, we briefly discuss the old and new versions and discussion of this subject, as well as give a detailed critique of the DNA tests and the arguments in favor Anna Anderson as Anastasia. In March 2014 the book was supplemented with a new section: The new book Who are you, Mrs. Tchaikovsky? (by academician Benjamin Alekseev).
