Reviews

This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.She had arranged to meet her husband in Northern Ireland for a second honeymoon, but when Charleigh arrives at the remote castle, she receives a message that he won't be coming-and that he's leaving her for another woman. Stranded for the weekend by a snow storm that has blocked all access to the castle, she finds herself three thousand miles from home in a country she knows nothing about. She is soon joined by Sean Bracken, the great-grandson of Laird Bracken, the original owner of the castle, and she finds herself falling quickly and madly in love with him. There's just one problem: he's dead. As the castle begins to come alive with secrets from centuries past, she finds herself trapped between parallel worlds. Caught up in a mass haunting, she can no longer recognize the line between the living and the dead. Now she's discovering that her appearance there wasn't by accident-and is more sinister than she ever suspected.
